

The Highlands soccer program invites you to participate in the Buy-A-Brick fundraiser. Show your support of our soccer program through the purchase of an inscribed brick paver to be placed at the soccer complex. Proceeds will be used for the construction of the new concessions/restroom/meeting facility.

The inscribed bricks are a wonderful, permanent way to commemorate an event, honor a current student, alumni or loved one. They also make a terrific gift.

Compose your special message using the form below. For additional bricks, provide details on the back of this form.
